ORDER:

The Chief Engineer (R&B) Admn., & SR, AP Vijayawada in the reference read above, has informed that the Panchayat Raj road " Approach road from Kalva – Bethamcherla – Banaganipalli road (SH - 180))to Cementnagar – Bugganipalli – Bethamcherla road (KLMD081) from km 0/0 to 2/800" is located in Kurnool district. Bethamcherla Town is an Industrial Hub consisting of more than 600 nos of Stones Polishing Units and two major Cement Factories are located in the surrounding area. Thousands of Lorries ply on Kalva - Bethamcherla - Banaganipalli road through Bethamcherla Town limits to commercial cities like Kurnool, Proddutur, Ananthpur, Bangalore and Hyderabad. Due to the industrial establishment of the town no. of commercial vehicles are playing through the Town, causing traffic interruption in the town. There is a Grama Panchayat road which connects Kalva - Bethamcherla - Banaganipalli road at km 16/2 and Ramallakota - Bethamchrela road at km 22/2. This road bypasses the town. If this road is improved, the through traffic going on Kalva - Bethamcherla - Banaganipalli will avoid Bethamcherla town. Further this road avoids a Railway Level Crossing. Hence the CE(R&B) MDRs requested for taking over the above road to R&B Department.

2. In the circumstances reported by the Chief Engineer (R&B) MDR & LWE,AP, Vijayawada in his letter read above, Government, decide and hereby order the transfer of Panchayat Raj Road " Approach road from Kalva – Bethamcherla – Banaganipalli road(SH-180) to Cementnagar – Bugganipalli – Bethamcherla road(KLMD081) from km 0/0 to 2/800" in Kurnool District to R&B Department "as is where is" condition. The map showing the road is attached and is to function as a bypass.

3. The transfer of the above road in para (2) above is subject to the condition (a) that if there is in any existing or future claim or litigation arising on land acquisition, the R&B Dept will revert the road to Panchayat Raj Dept; (b)that no

land acquisition will be taken up or initiated to increase the existing width of the road by R&B Dept; (c) that R&B Dept will only repair and maintain the road and bring it to motorable condition in the first phase; and (d) that Improvements of capital nature, if any, will be undertaken on the road, as per development programme and in a phased manner.

4. The Chief Engineer (R&B) MDR, A.P., Vijayawada shall take action for taking over the road from Panchyat Raj authorities, as per existing rules and circular instructions. He shall take action for allotting a number to this road.

5. The Chief Engineer (R&B) MDR, A.P., Vijayawada shall take further necessary action accordingly.

6. This order issues with the concurrence of Panchayat Raj & RuralDevelopment Dept.
